Tidy Ted

Tidy Ted the anti-litter mascot visited us earlier this week to explain what litter is and encourage us to think about the effects of littering on the environment and how we can be part of the solution. After an assembly, each class learned a little more about littering in preparation for school to be involved with the 'Big Spring Clean' next term.

The 'Big Spring Clean' is a popular community litter-pick campaign that runs every spring in partnership with LitterFree Durham and Darlington Borough Council. LitterFree Durham's explains that litter not only blights the environment and makes areas look untidy; it also affects natural habitats and wildlife. The 'Big Spring Clean' encourages and supports residents, businesses and volunteers to organise litter pick activities or events to help tidy their village or town.

Parental Questionnaire

Along with this week's newsletter your child will bring home our annual Parental Questionnaire. This parent survey is given to all parents/carers with children at our school. We are proud of our school and would like to know your views. You can complete the survey anonymously or add your child(ren)'s

I would be very grateful if you could spend co some time completing both of these questionnaires and return them to school by Friday 8th December. We use the information we receive to celebrate what is working well and to consider what the next steps are to further improve our school. I will provide a summary of questionnaire outcomes before the end of term. We would also be grateful if you could register your views on Parent View - https://parentview.ofsted.gov.uk

Thank you for your continued support. Mrs Swift

Book Fair

Thank you to those who supported our Book Fair in school this week. We raised an amazing £438! This will be used to buy books for our school. Thank you again for your fantastic support as always.

Northumbria Water Theatre visit

Last week our whole school enjoyed a visit from a theatre group. The theme of their performance was Super Splash Hero and our children learned about the importance of saving water through a lively, fun performance.
