Learning Overviews

The Learning Overview for each class can now be found on our school web site in the "Our Classes" section

Star Baker

This week's Star Baker in the Easington Bake Off is Jenny Archer for passing on her skills to the younger children and displaying great patience.

Family Fun Day

Mrs Watts daughter has organised a Family Fun Day. Details on the reverse. Please pop along if you can.

"Therefore welcome one another as Christ has welcomed you, for the glory of God." Romans 15:7

Head Girl and Head Boy

This afternoon we held our elections for Head Girl and Head Boy. Every Y6 child wrote a speech explaining why they wanted to be Head Girl or Head Boy and everyone in school then cast their vote. We are delighted to announce that Erin Rowe is our Head Girl and Daniel Young is our Head Boy.

Parent Governor Vacancies

Our Governing Body currently has two vacancies for Parent Governors. Our Governing Body is an integral part of our Leadership Team in school and provides three core functions: setting the strategic direction, holding the headteacher to account for the educational performance of the school and ensuring financial health, probity and value for money. Being a Governor is a rewarding yet voluntary role. Attendance at meetings (normally three or four per term beginning at 5p.m.) and training to strengthen our Governing Body is expected, along with occasional visits to school to speak with children and staff while school is operational. Our Governors are appointed on a skills basis and we currently require Governors with some of the following skills:

- Financial planning/management
- Links with local businesses
- Ability to question and challenge
- Commitment to the school's ethos

If more than two parents are interested in these roles an election of all parents will be held. On appointment new Governors are invited to attend an Induction Meeting and to meet informally with an existing Governor to discuss current school issues. If you are interested in becoming a Governor please contact the school office for an application form. If you would like to discuss the roll further with an existing Governor this can also be arranged. Mrs Swift

Easington Scarecrow Competition

Congratulation to our children and families who won categories in this year's Easington Scarecrow Competition. We've put the date in our diary so that we remember to create a school scarecrow next year!

Ready to learn

This week I enjoyed spending time in each class watching our children learn. Most children are "ready to learn" the moment they come to school however a small number appear really tired (and yawn a lot!) quite regularly. Please can I ask that parents ensure children are "ready to learn" every day of the week – particularly Monday mornings! Mrs Swift

Early Years Mud Kitchen

A huge thank you to Mrs Atkinson and the company she works for (SABIC), who built and installed our new Mud Kitchen in the Early Years garden this week. This will help our youngest children develop many skills.

If anyone knows of any other businesses or companies who would like to support our school please contact the school office.

Mr Morrison

Our Caretaker Mr Morrison had a hip replacement operation during the summer break. He is recovering well and is looking forward to coming back to school. In the meantime Mr Scott is covering Mr Morrison's caretaking duties until his return.

trust, thankfulness, hope, friendship, forgiveness
