FROG group Lesotho fundraising

On the reverse of this week's newsletter you will find the letter we received from Lesotho Durham Link following our donation of £108.00. It is amazing that our children have given hope to other children they have never met.
Mrs. Swift

With God all things are possible Matthew 19:26

The theme of our Collective Worship this week continues to be Saints and how they change lives.

House Team morning – Tuesday 24th January 2017

On Tuesday our children enjoyed working with their House Team friends. During the morning each team (Aidan, Bede, Cuthbert and Oswald) learned more about an endangered animal which was chosen by their House Team captain. House Team activities are very special as they give our children the opportunity to work with children in other classes and it is truly amazing to see our oldest children working and supporting our youngest children.

Family Friday/Stay and Play

We look forward to welcoming parents and family members into school on Friday for our next Family Friday/Stay and Play event. This is a wonderful opportunity for parents and family members to work alongside their children in school. We ask that parents and family members wait on the school yard until invited into school – it is always very busy at this time of the day. We also ask that you sign in on the class lists provided. Our School Nurse, Kelly, will be available from 9.30am to speak with any parents who have health concerns about their children. We look forward to seeing you next Friday.

Safer Internet Day

Here at Easington CofE Primary School we take e-safety very seriously. As part of our programme of e-safety education we would like to invite parents and family members to an assembly on Safer Internet day - Tuesday 7th February 9a.m. During the assembly we will share some information about how to keep your children safe on line and our children will share some of the key messages linked to e-safety. I would be grateful if you complete and return the slip below to indicate whether you will be attending the assembly and return to school by Tuesday 31st January. Thank you in advance for your support.

Supporting learning at home

As not all children have access to Lexia (and we are soon to do the same with Mathletics) please find below links to two websites where you will find resources to support your child's learning at home.

- <http://www.apps4primaryschools.co.uk> This website directs you to apps which will support learning in different areas.
- http://www.bbc.co.uk/schools/websites/4_11 is the home page of the BBC learning website for 4-11 year olds.

We do hope you find these links useful. If you have any specific concerns about areas of learning please contact your child's teacher who may be able to recommend some other resources.
