

Easington Church of England Primary School

Dear Parents/Carers,

I would like to advise you that we now have Parent Governor vacancies available and therefore are looking for nominations to our governing body from those with parental responsibility for a child at our school.

Before you decide to nominate yourself, or someone else, you may want to find out more about what is involved. Governors do not have to be experts or have experience in education; what they do need is to have an interest in the school and in the achievement and welfare of our children along with the time and commitment to get involved.

Would you consider applying or nominating another parent?

If so, I would like to invite you to come along to an information evening on **Thursday 27th April at 5.00pm** where you can meet governing body members, be provided with further information about how you can contribute to the governance of our school and make an informed decision about applying.

I look forward to meeting you,

C Mitchell
