

Easington Church of England Primary School

Pupil Premium Strategy 2016-2017

Our school receives Pupil Premium Funding as part of its budget based on the number of children who:

- Are on Free School Meals,
- Have been on Free School Meals at any time during their time at Primary School,
- Are children of services personnel,
- Have been in looked after care for 6 months or more
- Are subject to a residency order or were adopted after being in care since 31st September 2005.

In 2016-2017 we estimate school will receive £20380 (9 Ever 6 2x post LAC and 2 service) in Pupil Premium funding.

Main barriers to educational achievement

- Not all children enter school at age related expectations
- Not all children have financial access to educational visits

How the 2016-2017 funding will be spent:

The funding will be used:

- to (part) fund the employment of a teacher to enable all children to be taught in smaller class sizes. This will also improve the capacity for small group teaching and to focus intervention more appropriately for our disadvantaged children.
- to fund more Teaching Assistant time to ensure personalised learning for all children and to deliver intervention programmes to raise standards such Lexia and Friendship/Social skills groups
- to contribute towards the cost of visits to ensure children can access school visits

Teacher time	£10,720
Teaching Assistant time	£8,000
Access to school visits	£1,660

Impact of Pupil Premium Money

The aim of Pupil Premium funding is to close the gap between those entitled to Pupil Premium funding and those not entitled. We will monitor the progress of these groups of pupils and report to the Governing Body at the end of the year. These findings will be published on our web site.
