

Easington Church of England Primary School

Sport Premium at Easington C of E School 2016/17

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

At Easington C of E Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

The 2016-2017 Sport Premium funding for Easington C of E Primary School was **£8480**

How was the money spent?

The money was used for: -

- part fund the employment of our PE Subject Leader (a specialist PE teacher) who teaches PE to every class weekly. £5950
- provide transport for children to and from swimming lessons and other sporting events £1500
- purchase Youth Sport Trust membership £500
- purchase new PE and Sport equipment £550

Total spend £8500 (overspend met through school's own budget)

What was the Impact?

The Sport Premium Funding has impacted our school in the following ways:

1) Engage all pupils in regular physical activity – kick-starting healthy active lifestyles

Our school continues to offer weekly physical activity through Physical Education (P.E.) lessons from Reception to Year 6. P.E. lessons are delivered from a balanced and varied yearly timetable.

2) The profile of PE and sport being raised across the school as a tool for whole school improvement

Sport and P.E. is used across school as a method to improve children's confidence, behaviour and motivation. Sports Leaders deliver break time activities to engage children and certificates are awarded for effort, determination and consistent participation. Other procedures involve awarding participation certificates for those who compete in competitions and announcing those who have competed during school assemblies.

3) Increased confidence, knowledge and skills of all staff in teaching PE and sport

Staff are offered training through staff meetings and briefings and are offered the opportunity to discuss sessions/programmes with the Subject Lead. The Subject Lead has also attended courses and conferences.

4) Broader experience of a range of sports and activities offered to all pupils

Children in our school are offered a full range of sports and activities to show and develop their skills. These activities are offered through P.E. lessons, extra-curricular activities and during break time activities and lunchtimes.

How we ensure Sustainability?

To ensure the Sports Premium is sustainable we will ensure that –

- A range of clubs are offered by other external providers and there is a programme in place to ensure different children are targeted to attend.
- Staff pass on skills and ideas through staff meetings/briefings and also to colleagues.
