PTA School Lottery Winners

07/03/20 Mr Watt

Thank you as always for your support.

Spring Coffee Afternoon

A huge thank you for your support at our Spring Coffee afternoon last Friday, the turnout was amazing. It was great to see people enjoying a nice hot drink and delicious cake. A big thank you to everyone who kindly donated items for this event. In total, we raised £276, which is a fantastic amount. This included the raffle for the gorgeous Easter Hamper, which was donated by Grandma Atkinson. Louise Weatherall was the lucky winner 😊

Thank you to everyone for your support and making this another lovely event for our school.

Letter to families re Coronavirus

Today you will also receive an update from school regarding the current situation. Unfortunately, we have made the decision to cancel school events this half term. For any of those who have returned their Someone Special order form, you will find these plus the cash, in your child's bag tonight. We hope to rearrange these events later in the year.

Matthew Delanoy

Mathew went to the County finals for Cross Country today and was selected to represent the County at the National Competition in Leicestershire on 21/3/20. What an amazing achievement and we are all very proud of him.

Science Fair at Easington Academy

Four of our Year 5 children had a fantastic morning at Easington Academy taking part in their Science Fair. The children loved the day and came back to school with lots of new knowledge.

Sport in school

The last few weeks have been a busy time for sport in our school. Our children have attended:

- Football Festival at Soccarena (Year 1, 3 and 4)
- Netball Festival at Beacon of Light (Years 5&6)
- Boys Football matches Wednesday and Thursday

Coming up next week we have the Year 1 children attending a Dance Festival. We are awaiting confirmation of whether this will still be taking place.

The school football team had 4 fixtures last night and performed brilliantly. We will publish the final league table when all results are in.

Advice on COVID-19 (coronavirus) for places of education

How serious is COVID-19 (coronavirus)?

- it can cause flu-like symptoms, including fever, cough and difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas, see [pha.site/covid19-specified-areas](https://www.pha.gov.uk/covid19-specified-areas)

How can you stop COVID-19 (coronavirus) spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of COVID-19 (coronavirus). If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If a staff member or parent thinks you have symptoms of COVID-19 (coronavirus), they should call the **NHS helpline on 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [pha.site/coronavirus](https://www.pha.gov.uk/coronavirus) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have visited Hubei Province (including Wuhan), China, Iran, lockdown areas in Northern Italy, or Daegu or Cheongdo in South Korea since 19 February 2020, or anywhere in Italy since 9 March 2020, should self isolate, and NOT attend education or work for 14 days.

See [pha.site/coronavirus](https://www.pha.gov.uk/coronavirus) for advice on COVID-19 (coronavirus).

If there is an emergency, call 999 immediately
