

Year 2: WB 20.04.2020

Maths:

1. Have a look at this part-part whole model.
2. The circle that both of the lines join to has been partitioned into 10s and 1s.
3. Using your work from yesterday on number bonds to 20, can you draw and complete part-part whole models for the numbers between 10 and 20?

English:

1. Read one of your favourite books.
2. Can you predict what you think will happen next after the story has finished?
3. Write a short story explaining what you think will happen next after the story has finished.

Art:

1. Lots of people have been drawing rainbows to put in their windows.
2. Could you please draw or paint a bear?
3. You could put this in your window and when you go on your one walk a day you can see if you can spot anymore – just like going on a bear hunt!

Year 3: WB 20.04.2020

Maths:

1. Practise your 3, 4, and 8 times tables to refresh your memory.
2. Have a go at completing the multiplication colour by number. Make sure to double check your sums before you start colouring!
3. Have a go at making your own colour by number! Can you think of some division to put in like you did yesterday?

English:

1. Read one of your favourite books.
2. Can you write a diary entry as the main character explaining how they feel? Are they happy, sad, confused, angry? Why do they feel this way?

Art:

4. Lots of people have been drawing rainbows to put in their windows.
5. Could you please draw or paint a bear?
6. You could put this in your window and when you go on your one walk a day you can see if you can spot anymore – just like going on a bear hunt!
