

## English

Write a set of instructions about how you created your Viking long ship model.  
Remember to include 'handy hints', 'top tips' and advice (e.g. If you haven't got any wood, you can use strong card board).

## Maths

**Consecutive Sums**

Some numbers are sums of consecutive numbers.

Can you make all the numbers this way?

Which numbers can be written in more than one way?

Thousands more problems can be found on the NRICH maths website:  
<http://nrich.maths.org>

9 = 4 + 5 and 2 + 3 + 4  
10 = 1 + 2 + 3 + 4  
11 = 5 + 6  
12 = 3 + 4 + 5  
13 = 6 + 7  
14 = 2 + 3 + 4 + 5

Consecutive numbers are numbers that follow one another in order like 1,2,3 or 11,12,13,14

Try this investigation.

Which numbers can't you make?

Which numbers can you find the most ways for?

What is special about the numbers you can make using 2 consecutive numbers or 3 consecutive numbers?

## DT

Use the internet to research five top facts about Viking long ships-what were they made out of, how far could they be sailed, how many men could it hold etc.
