

Year 2: WB 18.05.2020

Maths:

1. Have a game of times tables snap.
2. Create a set of cards with the times tables and another set with the answer. For example: 2×2 and 4
3. You can play a game of snap with them where they are all in a pile or you can spread them out and try and match them up as quickly as possible.

English:

1. Make a list of the things that you have done this week.
2. Can you write a diary entry of what you have done this week?

RE:

1. Can you research why we have chocolate eggs at Easter.
2. Present your research however you like. It could be a poster, leaflet or even a song.

Year 3: WB 18.05.2020

Maths:

4. Have a game of times tables snap.
5. Create a set of cards with the times tables and another set with the answer. For example: 2×2 and 4
6. You can play a game of snap with them where they are all in a pile or you can spread them out and try and match them up as quickly as possible.

English:

1. Make a list of the things that you have done this week.
2. Can you write a diary entry of what you have done this week?
