

Year 2: WB 11.05.2020

Maths:

1. Have a go at solving these 3-digit challenges with symbols.
2. Can you create your own 3-digit challenge using symbols?

$$\begin{aligned} \text{Cat} + \text{Girl} + \text{Heart} &= 7 \\ \text{Cat} + \text{Girl} &= 6 \\ \text{Girl} + \text{Heart} &= 3 \\ \text{Cat} + \text{Heart} &= \square \end{aligned}$$

$$\begin{aligned} \text{Sun} + \text{Boy} + \text{Girl} &= 6 \\ \text{Sun} + \text{Boy} &= 3 \\ \text{Boy} + \text{Girl} &= 5 \\ \text{Sun} + \text{Girl} &= \square \end{aligned}$$

English:

1. See if you can find any poems around in the house – some might be on signs, in books or magazines.
2. What do you like about poems? I like that poems are like short stories with lots of description.
3. Have a go at writing your own poem. You can do it however you like, about whatever you like.

PE:

1. Keeping active helps to reduce stress and boredom, why don't you try making up a dance to your favourite song? Try and make it super energetic so that you're a little bit out of breath.
2. You could also try perfecting a skill, for example keepie ups, or fancy tricks with a football. Just make sure you do it in a safe place and you check with a grown up first.

Year 3: WB 11.05.2020

Maths:

1. Use a dice to roll numbers. You need to roll 3 numbers to create a 3-digit number (hundreds, tens, ones). Repeat this process again so you have 2 3-digit numbers.
2. Using column addition, add these 2 3-digit numbers together

English:

1. See if you can find any poems around in the house – some might be on signs, in books or magazines.
2. What do you like about poems? I like that poems are like short stories with lots of description.
3. Have a go at writing your own poem. You can do it however you like, about whatever you like.
