

Year 3/4/5 - Mr. Churchill

Tuesday 12th May 2020

**English**

Today you are going to create a persuasive advert to sell your favourite toy to other children in your class. Firstly, remind yourself of the persuasive techniques we have looked at this year. <https://www.bbc.co.uk/teach/class-clips-video/english-ks1-ks2-how-to-write-a-persuasive-text/zkcfbdm>.

Now, write to your class to persuade them to buy your toy. How many different persuasive techniques can you include? You might want to draw a picture of your toy to convince your audience further!

**Persuasive techniques**

- |                      |                       |
|----------------------|-----------------------|
| Alliteration         | Personal pronouns     |
| Rhetorical questions | Exclamation sentences |
| Exaggeration         | Command sentences     |
| The power of 3       | Expanded noun phrases |

**Maths**

Year 4 Place Value Maths Mystery Challenge Cards

1. Fatima, Alfie and Laura each describe a number. Which number is the greatest? Explain how you know.

Fatima says, "My number has nine hundreds, five tens and a one."

Alfie says, "My number has seven thousands, four hundreds and five ones."

Laura says, "My number has seven thousands, six tens and eight ones."

Year 4 Place Value Maths Mystery Challenge Cards

2. Alfie says, "Write a four-digit number where the thousands digit is two more than the hundreds digit and three less than the tens digit."

Explain how you found your answer to a friend.

**Formal methods**

Use the formal method to calculate:

$$67 \times 8 = \underline{\quad}$$

$$24 \times 3 = \underline{\quad}$$

$$16 \times 4 = \underline{\quad}$$

$$29 \times 9 = \underline{\quad}$$

**School Values**

Please design a poster that displays our school value of 'Friendship'. Please ensure that you include the school badge. Be as creative as you can and make your poster bright and colourful with lots of images.
