Think carefully of the punctuation you have been taught to use this year (and previous years!). Your task is to punctuate the following paragraphs:

(1) one day, a magical pixie called fairydust skipped happily through the enchanted forest she was wondering what sort of magic spells she could cast over her friends in the village of fairyville would it be a kind spell, or would it be a wicked spell stop if you cast too many spells, you may run out of them

(2) hamish the hedgehog scuttled under the enormous pile of leaves, which were at the foot of a horse chestnut tree in the woods what was that wow it was a conker, falling down from the branches above the pile of leaves where did that come from what a big conker hamish had never seen such a large conker before he ran back under the mound of leaves, then went to sleep

Mathematics
