

Maths

Some petrol stations display prices by sticking **segments** together to make numbers.

What is the **largest** number you can make with **10 segments**?

What is the **largest** you can make with **16 segments**?

Challenge – How many *different* numbers can be made with 7 segments?

English

These sentences have been scattered and blown in the wind. Sort them into facts (F) and opinions (O).

Some of these are tricky so you may have to discuss them with someone.

We live in Britain.

The Police will investigate the crime.

I am late.

The Queen is old.

Ice cream is delicious.

Everyone loves babies.

He was shouting and screaming as he left the house.

The currency in the USA is dollars.

There are 5 main religions in the world.

Write 5 facts about Great Britain then think of 5 opinions you might have heard about living here e.g the weather, travelling around, the food, places to visit...

R.E/S.M.S.C

Recently, Earth Day was celebrated globally, with the aim to raise awareness about how to better look after our environment.

In Christianity, it is believed that humans must be 'stewards' of the earth. This means they believe that God trusts us to look after the world and everything in it, including all animals.

Click the link to watch '[A Whale's Tale](#)', a short film that highlights the problem of plastic in the ocean. After you have watched the video, discuss the following points with your adults at home:

- ❖ What do you think the moral of the story is? How did it make you feel?
- ❖ Do you think that we are being good stewards of the Earth and protecting the environment?
- ❖ What can you do as a family to help protect our beautiful surroundings and be good stewards?

Challenge – Choose one of your suggestions and try your best to do it!
