

### Street Games Day

On Wednesday and Thursday, the children took part in STREET GAMES. Despite the inclement weather, the children throughout school had a fantastic time learning new fun games that can be played outside. The games promoted teamwork, resilience and showed children how playing outdoors can be lots of fun! Please see the photographs attached.

### Before and After School Provision

The Before and After School Provision has continued to go extremely well. There are still places available on all days if you need any support with childcare. Please do not hesitate to contact the school office and we will happily accommodate your needs.

### European Languages Day

Today each class has been learning all about a European Country. They have completed many fun activities relating to the country they have studied. The countries learnt about were:

*ELM CLASS – SPAIN*

*OAK CLASS – FRANCE*

*MAPLE CLASS – ITALY*

*SYCAMORE CLASS – GREECE*

*WILLOW CLASS – GERMANY*

Please see the photographs attached to get a flavour of the fun children had in school today learning about their country.

### Collecting children (COVID guidelines)

Once again, thank you for all of your support, patience and understanding with the staggered drop off and collection times that are currently in place. Please can I ask that unless you are waiting for another child coming out of school, please leave the school premises as soon as possible. As a school, we must follow the guidance, which advises against gatherings and groups on the schoolyard. I know some schools in the local area that have insisted that all adults must wear a facemask before coming onto the schoolyard. This is something I would like to avoid if possible. Please can I also request that parents **DO NOT** park in the staff car park under any circumstances. As children are now leaving through this exit there needs to be as few cars as possible entering and leaving the car park.

Thank you for your support with this.

Mr. Appleby

### Home-School learning

The Senior Leadership Team are currently working on a Contingency Plan should the school have to close due to another lockdown. This main purpose of this plan is to outline what home-school learning will look like should this happen. This document will be shared with parents in the coming weeks once it has been finalised.

Thanks

Mr Appleby

### Attendance week commencing 31<sup>st</sup> August 2020

Ms Lilley's Class – <b>ELM</b>	100
Miss Defty's Class – <b>OAK</b>	100

Mrs Appleby's Class - <b>WILLOW</b>	Isabelle Rutherford
Mr Appleby's Special Book	Leon Thorburn
Pupil's Pupil	Anabelle Osborne
Pupil's Pupil	Olivia Curtis-Dawson

### Website

As explained in the Newsletter on 11<sup>th</sup> September, a reminder that from today we will be uploading photographs onto each class page on our school website. This will allow parents to see the different activities the children have been doing in class.

### Questionnaires

Thank you to those who have completed and returned the questionnaires sent out this week. We would love as many replies as possible so please return it next week if possible. Once the deadline has passed (Friday 2<sup>nd</sup> October), I will analyse the feedback and share this with you. Your views and opinions are extremely important to us in making our school the best it can possibly be.

Mr Appleby

### Individual achievements

We thought it would be nice to start sharing individual achievements of our children outside of school via our newsletter. If your child has achieved something outside of school that they would like to share, please ask them to let their class teacher know and we will put it on our newsletter going forward. Please see below an individual achievement for this week:

*Due to her amazing goalkeeping skills, Olivia Curtis-Dawson (Y6) has been selected to play for Middleborough Regional Talent Club. Olivia impressed so much at the football trials that she was asked to sign immediately. This is an amazing achievement. Congratulations to Olivia, we are all very proud of you.*

### Play Structure

As requested last week, please can I ask that children **DO NOT** climb on the play structure at home time. As bubbles are currently being used in school, the structure is designated to a particular group of children and we need to prevent the mixing of bubbles whenever possible.

Thank you

### Street Games

### European Languages Day
