

### **Before and After School Provision**

The Before and After School Provision has continued to go extremely well. There are still places available on all days if you need any support with childcare. Please do not hesitate to contact the school office and we will happily accommodate your needs.

### **Collecting children (COVID guidelines)**

Due to the yearly changes in weather patterns in the coming weeks and months, I am considering revising the staggered start and finish times for after half term to reduce the waiting time for some parents. Further details regarding this will follow next week.

### **Home-School learning**

The Senior Leadership Team are currently working on a Contingency Plan should the school have to close due to another lockdown. This main purpose of this plan is to outline what home-school learning will look like should this happen. This document will be shared with parents in the coming weeks once it has been finalised.

Thanks

Mr Appleby

### **MacMillan Cancer Support**

As you all know, every year we love hosting our MacMillan Coffee Afternoon. This year, due to the situation we are currently in because of Covid, means we cannot run this event as we usually would. We would still like to support this amazing cause in any way we can. If you would like to join us in making a donation, we will have a table in the yard on **Monday morning** with a basket for spare change donations. Every penny will help and we hope you will join us with your support.

*Welcome to  
Autumn*

Children and adults will tackle a series of challenges that a football manager may face in real-life. Challenges include facing the press at your post-match interview, buying players and organising your team, keeping track of your players' diets, and redesigning your club crest and kit!

Pick up your weekly activity pack every Friday at your school for 6 weeks, complete your tasks at home as a family and return when you collect your next pack. The first pack will be available on Friday 9<sup>th</sup> October 2020. Activities are suitable for Key Stage 1 and 2 children.

To register your interest, please contact Josh the course tutor, on the email/number below.
