Emotional Well-Being

Take some time out of your day to do something you enjoy - this could be watching a TV programme, playing a game, reading a book, going for a walk, baking with your family, drawing a picture etc.

Letters and Sounds – English

This week in English we would have been doing our writing assessment - so while you're at home I'd like to do lots of Letters and Sounds instead. This week we will be looking at the A family. Watch this video to see some of the ways to make A (<https://www.youtube.com/watch?v=ROKNNvuGpEo>) – then have a go at the worksheets.

Maths – Consolidation – Ordinal Numbers

Ordinal Numbers are numbers that tell you the position of something e.g. 1st in line, 2nd place, 30th October. Watch the video (<https://vimeo.com/460142990>) to remind you of the rules and have a go at the worksheet.

PE

Our favourite PE lessons are usually dancing so do some Just Dance off YouTube or if you fancy something a little trickier search for PE with Joe and follow his 30-minute workout. We have also been looking at kids yoga adventures like this one - <https://www.youtube.com/watch?v=KAT5NiWHFIU> if you'd like to give it a go.

Prayer/Reflection

We live in the UK, which is a collection of four nations. The UK is also a multicultural country which means that we live amongst people from different cultures that have their origins from all around the world. This week we are going to celebrate the positive way different cultures in the UK live alongside one another peacefully. This week we are going to hear examples of how people with different religious beliefs came and settled in the UK.

ay sound

1. Trace over 'ay'.

ay ay ay ay ay
ay ay ay ay ay

2. Just add 'ay'.

tr___

st___

spr___

cr___on

pl___

cl___

d___

h___

3. Write the correct 'ay' words under the pictures.

There are many different words spelt with 'ay'.

Can you spot which words are real and which are nonsense below?

Fill in your key with a different colour for real words and nonsense words then colour in the correct boxes below.

Key

Real Words <input type="checkbox"/>	Nonsense Words <input type="checkbox"/>
-------------------------------------	---

clayer	spray	play	zlay
may	vray	hayon	clay
chay	stray	day	tay
crayon	blay	dayb	tray
	nayt	stay	

Can you colour in all the ay words?

One day in May there was a sad boy called Jay. All Jay wanted to do was play. He wanted to stay in the garden all day. But in the afternoon, his Mam asked him to lay the table for tea. He had to carry the food to the table from the kitchen on a tray. Mam told Jay they were going on holiday to Norway but Jay just wanted to play with his crayons. Mam was cross because she had to pay a lot of money for the holiday. Jay said sorry and they went on their way.

1 Here are some objects

a) Circle the first object.

b) Circle the third object.

2

a) Which flower is coloured?

The flower is coloured.

b) Colour the 5th flower.

3 Here are some shapes.

Complete the sentences.

The 1st shape is a _____.

The 3rd shape is a _____.

The star is the  shape.

4 Draw the shapes in order.

- The last shape is a square.
- The 1st shape is a triangle.
- The 3rd shape is a circle.
- The 2nd shape is a rectangle.

Today we are going to find out about how Sikhism may have come to Britain.

Sikhism

My name is Mr Singh. I was a foundry worker in the Punjab, India. One day whilst at work, I heard that some of my colleagues had gone to the UK to work in the foundries in some of the big cities. The British government had been encouraging people from the colonies, like me, to come to the UK and help rebuild the country after World War 2. So, in the summer of 1952 I left the Punjab to start a new life in the UK.

How did Mr Singh come to the UK?
