

# Wednesday 21<sup>st</sup> October 2020

## Emotional Well-Being

Take some time out of your day to do something you enjoy - this could be watching a TV programme, playing a game, reading a book, going for a walk, baking with your family, drawing a picture etc.

## Letters and Sounds – English

This week in English we would have been doing our writing assessment - so while you're at home I'd like to do lots of Letters and Sounds instead. This week we will be looking at the A family. Watch this video to see some of the ways to make A (<https://www.youtube.com/watch?v=ROKNNvuGpEo>) – then have a go at the worksheets.

## Maths – Consolidation – Number Lines

Watch the number song to practice your numbers (<https://www.youtube.com/watch?v=eOdJWfQHF8Y>) - have a go at filling in the missing numbers on the number line.

## Our Curriculum

This week we would have used the information we've been learning all about the UK, London and Easington Village to create a presentation. I'd like you to have a go at answering the question "What is it like to live in the UK?" - you can choose how to do this to could be a picture, video, poster, leaflet or anything else you can think of.

## Prayer/Reflection

We live in the UK, which is a collection of four nations. The UK is also a multicultural country which means that we live amongst people from different cultures that have their origins from all around the world. This week we are going to celebrate the positive way different cultures in the UK live alongside one another peacefully. This week we are going to hear examples of how people with different religious beliefs came and settled in the UK.

One day a girl called Kate made a cake. First she had to grate a lemon and then she added dates to the base. Next she had to bake it until it was cooked. Then she made a glaze to go on top and decorated it with a flake. It was a top-grade cake and everyone was amazed. They were going to take it to the lake for James' birthday. Mam lit the candles because Kate had to stay away from the flames.

Today we are going to hear from a Jewish girl called Sarah.

Judaism

My name is Sarah and according to my Grandad, Jews had lived in the UK since Roman times. He said that there are records of Jewish settlements dating from William the Conqueror. My Grandad left Austria

In the 1930's; he said that people were becoming wary of Jews in Austria. He decided to make a new 'safer' life for himself in the UK. He met my Grandma at the local synagogue; her family had come to the UK years before.

How did Sarah come to the UK?
