

Activity 1: Emotional Well-Being/ PSHE

Can you write down a goal you would like to achieve by the end of Year One.

Yesterday we talked about setting goals. We discussed how it is important to have goals. Some may be bigger than others but they are still achievable if we break them up into smaller steps. Some of the goal ideas we came up with yesterday were:

- to read a small chapter book
- to swim without armbands
- to learn how to roller-skate
- to be able to paint a picture of my family.

Activity 2: Maths

We have been working on tens and ones this week. We used base 10 or dienes blocks to help us.

Have a go at the following worksheets.

Activity 3: Worship

This week in worship we have been looking at the story Noah's Ark. Watch the story again: https://www.youtube.com/watch?v=Ni1Y_ZHG-es and draw a story map of the important things that happened in the story.

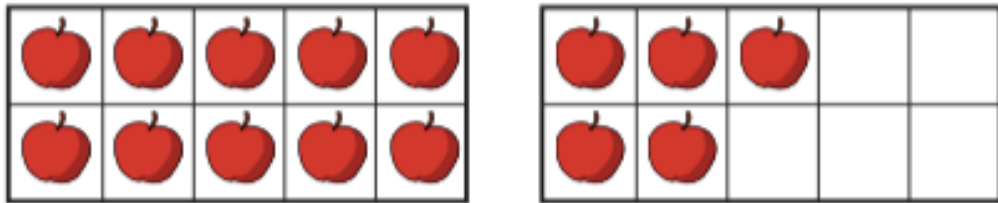

Activity 4: English

This week we have been looking at writing recounts using time connectives. I'd like you to have a go at writing the story of Noah's Ark using some of the time connectives below - this will be tomorrow's English task as well so don't worry if you don't get it finished - I will add an extra challenge in tomorrow's English for those who do finish their writing. You can use your story map to help you!

Noah's Ark - Sentence Examples

First God was sad that people were being bad.

Next God told Noah about the flood.

Then Noah built an ark with his family.

After Noah made the ark, he got two of each animal.

A few days later it started to rain.

After some time the rain stopped.

Then Noah sent a bird out for signs of dry land.

Finally a dove came back with a branch from a tree.
