

Year 2: 15.10.2020

Good morning everyone! I know this is an unprecedented time and things are different. Today, please feel free to work through these tasks in any order you would like.

Emotional Well-Being:

Good morning boys and girls, sometimes when there is change in our lives, we can feel overwhelmed and a little upset. Use the link below to do a little meditation and relax before you start your day.

English:

Today we are looking at different sentence types. It is really important that we use them in our writing to keep our reader interested. Watch these videos then complete the worksheet at the bottom of the page.

Maths:

Today I would like you to continue adding 2 2-digit numbers with an exchange (carrying 10s). If you need to use concrete resources to help you visit MathsBot and go to the Manipulatives tab and use the dienes/base 10 and a 100 square to help you.

This video will recap your learning.

Please complete the worksheet attached.

Our Curriculum:

We have been investigating Kansas and have decided whether we would rather live in Kansas or Easington. Today I would like you to make a leaflet advertising the features of Easington. You might include information about the church, the school, clubs you are a part of in Easington and statistics such as the population and location of Easington. A lot of information can be found here: https://en.wikipedia.org/wiki/Easington,_County_Durham

Prayer/Reflection Time:

We have been thinking about our Christian value of **friendship** in collective worship this week. We have been discussing what makes a good friend. Today I would like you to reflect on what kind of a friend you want to be. Are you the person who listens? Do you cheer your friends up when they are sad? Are you good at giving sensible advice? In your own words, however you would like, please say a prayer to ask God to help you be the kind of friend that you want to be.
