<u>Year 2: 16.10.2020</u>

Good morning everyone! I hope everything went well yesterday. It's Friday so let's have some fun today!

Emotional Well-Being:

Good morning boys and girls! I believe laughter is the best medicine. Nothing cheers me up more than a 'dad joke'. Today I want you to giggle! Spend some time telling jokes with your family. If you need some inspiration here is a lovely video: <u>https://www.youtube.com/watch?v=g3Denltbl7U&ab_channel=WWE</u> For our mental health, it is important to spend guality, happy time with the

ones that we love.

<u>English:</u>

This week we have been looking at: co-ordinating conjunctions (and, but, yet, or and), apostrophe for possession (beaver's) and sentence types. Using what you have learned I would like you to write a description about a beaver. If you need some help with information, try this video: https://www.youtube.com/watch?v=iyNA62FrKCE&ab_channel=BBCEarth

If you've loved learning about Kansas' favourite rodent as much as I have, there's a great NatGeo documentary you could watch: https://www.youtube.com/watch?v=IBxBdQDQNl4&ab_channel=NatGeoDo cumentaryLIVE

<u>Maths:</u>

Today I would like you to have a go at subtracting 2 2-digit numbers (e.g. 35-18) using the column method. You will need to do an exchange today. Remember: 'more on the floor? Go next door and get 10 more!' Focus on setting your columns out correctly and working from the smallest column (ones) to the largest (tens). Don't forget to put your hats on the columns (TO). This is just the same as we did before, but instead of 35-8, the method stays the same. Please complete the worksheet attached.

These videos tell you how to do exchanges:

https://www.youtube.com/watch?v=pv8URIRgCdo&ab_channel=SuperScho olhouse

https://www.youtube.com/watch?v=qKxQ33KcRWQ&ab_channel=Homesch oolPop

<u>Our Curriculum:</u>

We have been investigating Kansas and have decided whether we would rather live in Kansas or Easington. Today I would like you to see how many American states you can memorise. There are lots of different ways to do this, I like to memorise things with a song. You don't have to learn them all, this is just a fun activity that will help you throughout the year as we continue to look at aspects of Geography and History that may involve America.

Try this video to help you: https://www.youtube.com/watch?v=Jr4SmWDgMgk&ab_channel=PattyShu klaKidsTV-Children%27ssongs

<u>Prayer/Reflection:</u>

This would normally be our Celebration Assembly where we would give out Star of the Week. Today I would like to give you all Star of the Week for being adaptable, mature and resilient. Well done! Let's sing together:

<u>https://www.youtube.com/watch?v=DXDGE_lRI0E&ab_channel=GloryToFat</u> herGod

Reflect on the week you have had. What are you grateful for? What are you thankful for?

Let's pray together: Dear God, Thank you for keeping myself and my family safe, Please help those in need and protect those who are vulnerable, Amen

If you would like, you can say your own prayers.

Have a good weekend everyone, stay safe and look after yourself. Remember to smile, giggle and be happy!

Worksheets:

Maths:

Use MathsBot to help you! You can decide which section you try! Feel free to try more than one! You don't have to complete this all, this is just so you have lots of opportunities to practice if you need it.
