

Reception Report - Week 7

Weekly update from Ms Lilley's reception class.

Dear parents and carers,

Mathematics

This week we will be thinking about 'Comparing size, mass and capacity'. The children will learn that objects can be compared and ordered according to their size. We will be encouraging the children to use language such as big and little, large and small to describe a range of objects in the classroom. More specific language such as tall, long and short will also be introduced. At home you may like to encourage your child to compare and order objects by size and use the vocabulary to explain what they notice.

Maths Bags to be returned **TUESDAY**.

Many thanks

Communication/ Language and Literacy

This week the children will be learning the letter sounds, names and formation of Dd and Bb. The children will be blending three letter words such as D-a-d, d-i-d, B-o-b, b-u-g, b-i-g, b-a-g and b-u-n. and we will be thinking about rhymes -ad and -ig. The children will be finishing off their program of work titled 'The best part of me!' They will finish writing their labels that will be displayed alongside photos of the best part of them. 😊

Classroom Library Books to be returned **TUESDAY**.

Many thanks

Hoopstarz

The children really enjoyed their extra PE session with Fay the Hoopstarz coach last week. Here are some of their lovely responses...

"It was good. I liked the music"

"I told mammy a got a certificate she said great!"

"Awesome. It was a bit tricky but I kept trying."

"We spined around. We went to the moon in our space ships, in a hula hoop!"

Warmest regards,

The EYFS Team
