Science home learning 19th January 2021

Over the next few weeks we are going to be learning about some different animal habitats. The first habitat we are going to learn about is a desert habitat. To get started, take a look at the link below. Watch the video and complete the activity and quiz.

Now please complete the following activities:

Write a couple of sentences to describe a desert habitat.

Draw an animal you would find in a desert.

Please take a photograph of your work and send it in using Dojo. Thank you 😊
