Emotional Well-Being

Take some time out of your day to do something you enjoy - this could be watching a TV programme, playing a game, reading a book, going for a walk, baking with your family, drawing a picture etc.

Phonics

This week we will be looking at the ER Family. There are 4 different ways to make the 'er' sound:

"er" –finger

"ir" – bird

"ur" – nurse

"ear" – search

Today we will be focusing on the 'ir' sound. Watch the video of Geraldine

https://www.youtube.com/watch?v=7ta_KKUU-98 and search your house for things with the 'ir' sound in or draw me a picture of some objects with the 'er' sound.

English

Listen again to the video from yesterday of our new story 'Meerkat Mail' on Class Story.

Answer the questions about the start of the story.

English – Reading

Read or listen to the story 'The Gruffalo' - <https://www.youtube.com/watch?v=s8sUPpPc8Ws>

Pick a reading activity to do every day this week.

Fold a piece of paper into 6 equal pieces. Sequence the story by drawing or writing the story in order.

Design a new front cover for the book – think about what happens in the story!

Make a wanted poster for the Gruffalo or one of the other characters in the story.

Draw the funniest part of the story and write about it.

Write a new ending for the story.

If you could ask a character in the story a question, who would you ask and what would you ask them?

Design your own Gruffalo creature. Label all its features like 'terrible jaws' and 'purple prickles all over his back'

Find 10 adjectives (describing words) in the story and write them down. Make up some sentences using those adjectives.

Draw a map of the deep dark wood and label all the important parts on the mouse's journey.

Draw a picture of your favourite character from the story and tell me why they are your favourite.

Collective Worship – If At First You Don't Succeed

Over the next few days, we are going to discuss some of the things that we do that ensure we fail. By thinking about ways in which it is guaranteed that we will fail, it will help us to think about what we need to do to become more resilient. The first sure way to fail is 'don't try in the first place'. Imagine if the baby is watching its brothers and sisters all walking around and playing and starts thinking to itself "I'd love to be able to walk like them" but then one of them falls over and hurts themselves. The baby might start thinking "I've changed my mind, I'm safer on the floor, I'm never going to try and start walking." Or what if a mountain climber hoping to get to the top of his first mountain, plans his route on a map, packs up his equipment and stands at the bottom of the mountain, looks up at the peak which is beyond the clouds and thinks "that mountain is too tall for me, I think I'll go back to bed". Both the mountain climber and the baby have failed because the task ahead seemed too overwhelming, too hard a challenge. Every challenge you have overcome already and every achievement you have had up to now has required you to start it. Starting something new can be scary, but one sure way to fail is not to try it in the first place.

Time to reflect

- Can you think of something that you really didn't want to do, but when you tried it you loved it?
- Have you ever wanted to do something but when it came to it was too scary or seemed like too much effort?
- How can we encourage others when they are scared?

Reflection (Prayer)

Dear God,

We are thankful that we are resilient, that we have been successful in starting on new challenges. We are grateful for new and exciting experiences even if sometimes they seem scary and overwhelming. Let us continue to have the resilience to see them through and help us also to encourage the resilience in others.

Amen
