RE home learning 26th January 2021

To start today, think about the words fire and light. Think about any connections between these two words. A question to think about:

Why might Christians picture God like these words?

Please jot down your thoughts and use drawings if you want to as well.

Click on the link below to remind yourself about Moses and the burning bush.

Now please answer the following questions:

1. Why did Moses have to take his shoes off?
2. Why was Moses frightened?
3. Why do you think God showed himself as fire?

It might help you to add a few drawings to explain your answers.

Please take a photograph of your work and send it in using Dojo. Thank you 😊
