

**Year 4 – Mr. Churchill**  
**Thursday 14<sup>th</sup> January 2021**

**English**

Please use the following link to access today's work on paragraphs.

<https://www.bbc.co.uk/bitesize/articles/zv4j7nb>

Please watch each video carefully and complete the quiz. Then write two paragraphs about the seasons or another chosen subject-football, Barbie, Lego, swimming, horses etc but make sure you follow the rules:

All the sentences within a paragraph should be about the **same person, place, time or topic**.

When the person, place, time or topic **changes**, you should **start a new paragraph**.

Every **new paragraph** should start on a **new line**.

**English-Reading**

Please continue reading your chosen text for 20 minutes. Please then complete the following task:

Write down any new words you have found and find their meaning.

**Mathematics**

In mathematics, we are continuing to look at multiplication and division, specifically **multiplying 3d x 1d**. Please watch the following video and complete the worksheet attached.

<https://vimeo.com/492456871>

As they did yesterday, the children need to use their knowledge of place value (the value of digits within numbers) and partitioning (splitting the numbers into tens and ones) to be able to multiply using this method. The children should also attempt to apply this knowledge in problem solving and reasoning contexts.

**P.E.**-for children and parents too! Have fun! Remember to warm up and cool down!

# Mathematics Task resource

## Fluency

F1)

Complete the calculation.

F2)

A school has 4 house teams.  
There are 245 children in each house team.  
How many children are there altogether?

F3)

Write the multiplication represented by the counters and calculate the answer using the formal written method.

## Reasoning

R1)

### Spot the mistake

Alex and Dexter have both completed the same multiplication.

Alex

H	T	O
	2	3
		4
X		6
1	2	0
	4	4

Dexter

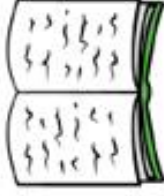

H	T	O
	2	3
		4
X		6
1	4	0
	4	4

Who has the correct answer?  
What mistake has been made by one of the children?

## Problem solving

PS1)

Teddy and his mum were having a reading competition.  
In one month, Teddy read 814 pages.

His mum read 4 times as many pages as Teddy.

How many pages did they read altogether?

How many fewer pages did Teddy read? Use the bar model to help.

### **A Prayer for When I am Sad**

God, I am sad. But You are good, and You are there. You listen to me when I cry. I can cry to You and tell You what is wrong. Even when I don't know what to say, I can just pray, "Help me, God, I'm so sad." You promise that whatever I am going through, You will be there.

Thank You for always loving me, even when I am really sad. Thank You for this day, even though it's not been the best day. Show me how to cheer up. Help me to be happy. Help me to see and remember all of the good things You have blessed my life with, and dry my tears. In Jesus' Name, Amen.

### **Emotional Well-Being Activity**
