Emotional Well-Being

Take some time out of your day to do something you enjoy - this could be watching a TV programme, playing a game, reading a book, going for a walk, baking with your family, drawing a picture etc.

Phonics

Our new sound this week is 'ar'.
Can you find and colour in the real words and the nonsense words?

Reading

Upload a video of you reading some of your favourite book.

English

Look at the picture of the penguin from the story. Can you think of some adjectives to describe what he looks like? Remember an adjective is a describing word – like small or pink or fluffy. Can you join two adjectives together using the word 'and'?

Maths

This week we will be learning about shape. Watch this video about sorting 3D shapes <https://vimeo.com/477200613>. Fill in the worksheet below.

PSHE – Internet Safety

Using computers and being online can be great fun and really helpful. But there is lots you need to be careful with and things you shouldn't click on. Listen to my story on how to stay safe on your computer or tablet. Can you make a poster telling me the important things to remember when using the internet safely?

Collective Worship - Talent Takes Practice

No matter how good you are at something naturally, it is practise that will make you better.

Natural talent may mean that you are able to pick up certain skills quicker and easier than others, but without practise you'll never master them.

Imagine two teams of talented football players learning a new formation in the locker room, which team will be better at it, the one that practises it or the one that just talks about it?

Or imagine a musician reading about a new technique in a book. Do you think they'll perfect it just by thinking about it or do they need to try it out?

Talents may be nice, but they'll never improve unless you put them into practise. You could think of them as toys in their original box, whilst in the box no one benefits from them, (except old boring people who just like to look at them) but by using them they will become what they were designed to be.

What have you learned recently that you need to practise?

What other skills do you need to practise?

Prayer

Dear God.

We are thankful for the variety of gifts and talents in this school. We are thankful for the talents that we have, whether we know about them now or will get to know about them in the future. Let us use and grow our talents for the benefit of ourselves and our community.

Amen

Real and Nonsense Words

Colour in the real words **green** and the nonsense words **pink**.

| | | | | | |
|--------|--------|--------|-------|--------|-------|
| jar | zar | card | yar | star | blart |
| rard | art | parv | farm | sharp | party |
| arm | warf | yard | farl | shank | targ |
| gar | march | plar | car | grank | bark |
| army | park | parcel | var | dark | hard |
| jamart | guitar | trelar | charm | garden | smart |

How many real or words are there? _____

Can you describe the penguin?

Use 'and' to join two ideas to use in a sentence.

| | | |
|-------------|-----|--------------------------|
| orange beak | and | black and white feathers |
| | | |
| | | |
| | | |

Can you write a sentence using 'and'?

Sort 3-D shapes

1 Which shape is the odd one out?

a)

The odd one out is a _____.

b)

The odd one out is a _____.

3 Which shapes stack?

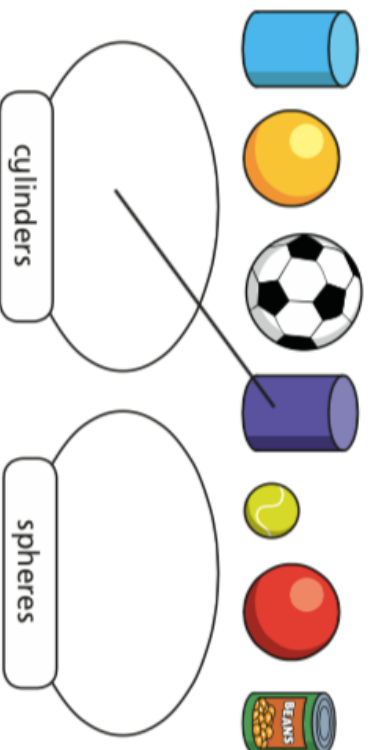

4 How have the shapes been sorted?

2 Sort the shapes into groups.

The first one has been done for you.

Can you sort the shapes another way?
