Science home learning 11th January 2021

Our new science unit - Living things and their habitats

The first thing that I would like you to do is go and explore! In your home or in your garden, can you find 3 things that are alive and 3 things that are not alive?

Please discuss how you knew if what you found was alive or not.

Please take a photograph of what you found and send it in using Dojo.

RE home learning 11th January 2021

Our new RE unit - Why is Jesus special to Christians?

Please watch the story on the link below:

<https://www.youtube.com/watch?v=iypUNd5yTn0>

Please discuss and explain your reasons, for your answer to the following question:

Why do you think Christians see Jesus as special in this story?
