

Emotional Well-Being:

Taking time for yourself to do something that relaxes you is so important. I personally like to read books set in foreign countries to relax me; it makes me feel like I am having an adventure from my sofa! Today, I would like you to spend some time thinking about what makes you feel relaxed and happy. Maybe you like reading, colouring, artwork, listening or playing music or maybe you like chatting with your family. Whatever it is that you like to do, I would like you to spend some time today doing something that relaxes you. You can send me a picture on Class Dojo if you like as well!

English:

This half term we are going to be looking at the traditional tale of Beowulf. In today's lesson I would like you to write a character description about Beowulf. Please use the word bank to help you with spellings. Remember, I would rather see a shorter piece of work with more grammatical features than a longer piece without them.

Grammatical Expectations:

- Expanded noun phrases (his razor-sharp sword)
- Singular apostrophe for possession (Beowulf's armour)
- A range of conjunctions (and, but, if, because)
- Capital letters, finger spaces and full stops.

Maths:

Today we are looking at drawing lines of symmetry. Please use a **ruler**. Each side of the shape should look exactly the same after you have drawn your line of symmetry.

Expectations:

- Everyone will complete all the fluency questions, 1 reasoning and 1 problem solving.
- Some people will complete all the reasoning questions as well.
- Few people will complete all the problem-solving questions as well.

Collective Worship:

Thinking about yesterday's *thought for the day*, how do we get better at a skill? Today we are going to think about the difficulties in using or practicing our newfound talents and skills. A talented group of mountain climbers are trying to climb a never before attempted route up a mountain. Halfway up they come to a bit that is very difficult. They are secured to the rock, but attempt after attempt they continue to fail, falling into the safety of their ropes. The only way up to the top on this route is over the outcrop of rock they are trying to climb. They discuss it, plan it and persevere with it until one of the climbers manages the difficult climb and is able to attach a securing point above the difficult section. All the climbers manage to make it over the difficulty and complete the climb to the top. For many of us, talented or not, the achievements we make require us to overcome difficulties. The sense of achievement that the group of climbers had by climbing to the top was made even better because of the hardships they had to overcome. Resilience is the ability to continue even though times are tough, or you have failed in the past. Practise is a form of resilience, and resilient people are more able to overcome their difficulties and achieve their targets.

Reflection (Prayer)

(Dear God)

We are thankful for the variety of gifts and talents in this school. We are thankful for the talents that we have, whether we know about them now or will get to know about them in the future. Let us use and grow our talents for the benefit of ourselves and our community. (Amen)

His eyes are as blue as a sapphire.	Beowulf's body is as powerful as a lion and as deadly as a dragon.	Beowulf always wears the shiniest armour.	He is a deadly warrior
Beowulf's eyes have seen many battles.	If he ever uses a sword in a battle, he uses his mighty fists to fight.	He is always dressed for war because he is the king.	He has 3 wives because he is so handsome and fearless.
He has long, tangled hair the colour of hay.	When he stands tall, he is like a giant.	His sword is made of the strongest metal in the world.	Bravely, he fights any enemy.
How handsome!	After	It could cut through anything but can it defeat Grindel.	At first, he was scared of Grindel but
Beowulf doesn't smile very often because he is serious.	He looks like a fearless, deadly warrior!	Beowulf wore clothes that were the same colour as his family house because he is proud.	
His face looks serious but he is mostly kind.	Would you want to fight him?

Maths:

Fluency:

F1)

Draw a vertical line of symmetry on the shapes below then circle the odd one out.

Fluency:

F2)

Draw the rest of the shape.

Reasoning:

R1)

Circle the shape which does not have a vertical line of symmetry. Explain why.

Reasoning:

R2)

These are the lines of symmetry for a regular 4-sided shape. Can you name and draw that shape?

Reasoning:

R3)

The shape below has a horizontal line of symmetry. Draw and name the rest of the shape. Explain why.

Problem Solving:

P1)

Charlotte says that a regular pentagon will always have 5 lines of symmetry.

Is she correct? Explain why.
