## *Living things and their habitats*

During the next few weeks we are going to be learning about different animal habitats. Today, I would like you to research and find out about a polar habitat. To do this, think about the following questions:

What is a polar habitat like?

What is the weather like?

Where in the world would you find a polar habitat?

Can you identify four animals that live in a polar habitat?

Can you please write some sentences to answer these questions and complete any drawings that may help you to answer the questions.

Please send in your work using Dojo.

## *What does it mean to belong in Christianity?*

Today we are going to be learning about baptism. Take a look at the following video:

<https://www.bbc.co.uk/bitesize/clips/zm87tfr>

Can you write a few sentences to explain what baptism means?

Have a go at making the paper cross!

Please send a picture of your work and cross using Dojo.
