RE home learning 19th January 2021

Today we are going to be learning how some Bible metaphors show God as a protector and a saviour.

Please listen and read the words to the hymn on the link below. Follow the words carefully from verse 1 and the chorus. Can you spot any metaphors?

Please jot down any ways in which the words in verse 1 and the chorus describe God protecting or saving. It might help you to add a few drawings to explain your answer.

Please take a photograph of your work and send it in using Dojo. Thank you ☺
