

Happy New Year everyone! I hope you are all well and that you had a lovely Christmas with your families – I'm so disappointed that we're not in school today so I can hear all about what you've been up to during your break ☹️ If you would like to contact me, I'd love to hear from you, just message me on Class Dojo 😊

Please remember, the work set is a reflection of the work you would have been completing in class. Please ensure that the work you submit is also a reflection of the standard you would have produced in class.

Emotional well-being

New Year's Resolutions

A recent poll found that these were the top three New Year's resolutions made by children:

1. To get better marks at school.
2. To find a way of making money myself.
3. To be more helpful around the house.

What are your reflections on the year just gone? What are your resolutions for this year?

Record your thoughts on the page below.

Time for prayer and reflection

Talent Takes Practise

The term talent means something that you are naturally good at. Everybody has a talent. Some of you may know what it is and some are yet to find out. Watch the video of the parable of the talents or read Matthew 25:14-30.

<https://www.max7.org/en/resource/talents>

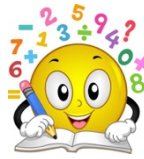

Think about what the parable is teaching us...then reflect. What are you naturally good at? What is your friend naturally good at? Have you ever told them? What could you do if you don't know how to get better at something?

Dear God, we are thankful for the variety of gifts and talents of others. We are thankful for the talents that we have, whether we know about them now or will get to know about them in the future. Let us use and grow our talents for the benefit of ourselves and our community. Amen

Maths

Let's get started again...

Today I would like you to spend time accessing Times Tables Rockstars and, if you're Year 6, SATs Companion (I have set tasks to be completed). I would like to see that everyone has accessed one or both of these learning platforms by the end of today please.

English: Reading

Spend 30mins (minimum) reading a book of your choice quietly – or aloud if you'd like to.

Tell me a little about your book on Class Dojo – what it's about, why you've chosen it.

English: Spelling

Please use a dictionary to look up each of the 'fer' words from the Year 5/6 spelling list to check you are confident with their definitions. Then, write a suitable sentence for each. Remember, you must provide a context within the sentence to show that you understand what the word means. Your sentence can be random for each or all linked to the same topic, it's up to you.

Extension – think of other words that include 'fer' – record the dictionary definition for each. These words should not be variations of those on the spelling list

Emotional well-being

My
favourite
memory of last year:

This year, I can't wait to:

If I could do one thing again from last year, it would be:

My goals for this year:

My New Year's Resolutions

The best part of last year was:

This year, I want to:

Some totally new things I want to try this year are:

2021
Happy New Year

Religious Education

Y5/6

RE home learning 5th January 2021

What do Christians believe about God?

There are some things that can't be seen, touched or drawn – love, anger, hope. Think about how we could use pictures, objects and words to describe them.

Christians use metaphor to help them picture and understand God.

Take a look at the dictionary definition of metaphor.

Look at the question below:

If God was an animal, what kind of animal would God be and why?

Draw and write down your ideas and thoughts.

Take a picture of your work and send it in.
