Meeting ID: 756 4633 6507

Passcode: gw7Pb7

## Emotional Well-Being

Take some time out of your day to do something you enjoy - this could be watching a TV programme, playing a game, reading a book, going for a walk, baking with your family, drawing a picture etc.

## Phonics

This week we will be continuing to look at the 'AIR' family (air, are, ear) Can you find and colour in the real words and the nonsense words?

## English

This week we are going to write a short story about Sunny going to visit the South Pole.

Today we are going to write the next part of the story. Using your story map from Monday, write the build-up part of the story. In my story this is the part where Sunny travels to the South Pole to see his friend Penguin.

Remember to use full sentences, capital letters, full stops, finger spaces and lovely describing words.

## English – Reading

Read or listen to the story 'Mr Wolf's Pancakes' - [https://www.youtube.com/watch?v=6\\_VosU2oLgY](https://www.youtube.com/watch?v=6_VosU2oLgY)  
Pick a reading activity to do every day this week.

Make some instructions of how to make pancakes.

A recipe book is a non-fiction book.  
Can you make a list of the other non-fiction books you can think of?

Read the story about one of Mr Wolf's neighbours – Chicken Licken, Wee Willie Winky, Gingerbread Man, Little Red Riding Hood and the 3 Little Pigs.

Write a shopping list for Mr Wolf.  
What ingredients will he need to make pancakes? Don't forget about toppings!

Draw a map of Mr Wolf's journey to the shop – make sure to include his neighbour's houses.

In traditional fairy tales, the wolf is usually the villain – e.g. The Big Bad Wolf in Little Red Riding Hood, 3 Little Pigs. Is this true in this story? Explain your answer.

If you were Mr Wolf would you give the neighbours some pancakes? Explain your answer.

Do you think Mr Wolf did the right thing at the end of the story? Explain your answer.

Perhaps you could use your instructions and shopping list to help you make pancakes next Tuesday on pancake day!

### Maths

This week we will be learning about weight and mass. Today we will be looking at measuring mass. Have a go at today's worksheet.

### Science

Please see attached work set by Miss Swan

### Guided Reading

Over the last two weeks I set a book for your child to read and a worksheet to complete. The pdf was sent to parent's messages on Class Dojo and accompanying worksheets can be found on your child's portfolio. I would be really grateful if you could complete these activities each week to help maintain your child's reading progress.

**New books will be sent once I have received work from the current book so that I can keep track of children's levels.**

### Collective Worship – Be My Valentine

Around 300 years ago single women would pin bay leaves to their pillows before going to bed in the hopes that the leaves would cause them to dream about their future husband. Today in Denmark, men write love poems or notes and send them to their sweetheart on Valentine's Day. If the sweetheart is able to guess who sent the note, then she will receive an Easter egg later that year. But if her guess is wrong, then she has to give an Easter egg to the man who sent her the note. In some countries it is friendship that celebrated, not just romance, cards and gifts are shared amongst friends.

#### Time to reflect

- Do you think it is a good idea to celebrate friends and friendship?
- What custom could you come up with to celebrate friendship?

#### Reflection (Prayer)

Dear God,

We are thankful for stories that help us to reflect on positive and important human qualities. At this time of year when we think about love, may we show our love, care and concern for our friends, families and communities.

*Amen*
