RE home learning 12<sup>th</sup> February 2021

Christians care a lot for others and look after people in many different ways.

Today I would like you to think about how people show that they care for you and how you show that you care for others.

I have attached a worksheet if you would like to use it.

One box is for you to draw and annotate how people care and look after you. In the second box please draw and annotate how you care and look after others.

Please take a photograph of your work and send it in using Dojo.

Thank you 😊

Enjoy your half term break!
