

Maple Class 04.02.21: Year 3

Emotional Well-Being:

Taking time for yourself to do something that relaxes you is so important. I personally like to read books set in foreign countries to relax me; it makes me feel like I am having an adventure from my sofa! Today, I would like you to spend some time thinking about what makes you feel relaxed and happy. Maybe you like reading, colouring, artwork, listening or playing music or maybe you like chatting with your family. Whatever it is that you like to do, I would like you to spend some time today doing something that relaxes you. You can send me a picture on Class Dojo if you like as well!

English:

Today we are going to be working on time conjunctions. Please can you write 4 sentences with time conjunctions for your report.

Maths:

Today we are going to be completing our assessment. Try your best but don't worry.

Expectations:

- Everyone will try their best.

Collective Worship:

Can anyone tell me why our school community is similar to the different parts of a body? The word multiculturalism is used to describe a society where there are people from different countries and cultures living alongside one another. Every ten years an organisation called the Office of National Statistics asks people to fill in a questionnaire called a census. The census includes questions about where a person was born and their ethnic group. There has been a steady increase of people born in different countries coming to live and work in the United Kingdom since the Second World War. This week we have been thinking about and celebrating difference. What sort of differences do you think people born in different countries have brought to the UK? (Use the headings below to structure a discussion.)

- – Food
- – Beliefs
- – Art
- – Music
- – Clothing
- – Building (Architecture)
- – History
- – Festivals and religious stories (Christmas, Epiphany, Baisakhi, Diwali, Eid)

Epiphany, Baisakhi, Diwali, Eid)

- – Language - did you know that 'Pyjama' is

a Hindu word?

- – Films and TV programmes
- – Understanding

Time to reflect

- How have you experienced any other cultures? (Food, music?)
- How have other people experienced your culture?
- What do you want to find out about someone else's culture?

Reflection (Prayer)

(Dear God)

We know that we have many things in common, and we are also aware and thankful for differences. We know it is an important part of our families, our schools, our communities and ultimately our world. Let us, this week, think about, understand and learn to live with our differences in a respectful and tolerant way. *(Amen)*

PE:

Please complete the Joe Wick's workout from this week. You could also do JustDance, CosmisYoga or GoNoodle if you would like!
