

COMIC RELIEF

Next Friday we will celebrate Comic Relief day with a non-uniform day. Children are allowed to wear red noses if they wish, and

dress how they would like. We will have collection buckets for any children wishing to make a donation to Comic Relief.

A lovely message from Alice and Maggie's Mam

Alice and Maggie would like to put forward Orla.

She's doing a sponsored walk on March 20th to raise money for the Alzheimer's Society in honour of her Nana Christine who is in a care home. It's a pretty long walk so a big challenge for her but I'm sure she will give it a good go!

When I read the story online I told Alice and Maggie about it and Alice said 'that's so kind!' and then said 'she should get the random acts of kindness award'.

Well done Orla this is truly amazing and so thoughtful. We are all really proud of you. There is a Just Giving page if anyone would like to donate, please scan the QR code or follow this link <https://bit.ly/3qMtJgs>

Thank you for those who have signed up to use ParentPay to pay for school lunches. For the last two weeks of this term, cash and cheques will still be accepted. Following the Easter break, both school lunches and our Before and After School Provision will be online. As always, thank you for your support with this change and please bear with us as we move over to this new system 😊

Wishing you all a lovely weekend

First week back

Both the staff and I have been completely in awe of our children this week. Every single one of them has been amazing. The atmosphere in school on Monday was very special and this continued throughout the week. I have been so proud when walking around school and visiting classrooms. The children have come back to school focused, determined and ready to learn. Behaviour and attitude has been outstanding all week across the whole school. I always say our children are special, our children are the best, and our children make our school the amazing place it is...this week, once again, has proven how right this is.

It was impossible to single out individual children for awards this week as they have all been fantastic and all deserve a huge amount of praise. Individual awards such as Star Pupil and Mr. Appleby's Special Book will begin from next week.

Thank you
Mr. Appleby

Drop off and collection

A big thank you for your support and co-operation with daily drop off and collection times. It makes the school day operate a lot smoother when these times are adhered to.

Thank you

Marie Curie National Reflection Day

On Tuesday 23rd March, Marie Curie are promoting a 'National Day of Reflection' to remember the past year and the difficulties people have been through. On this day, it will be non-uniform and children can come into school wearing something yellow. Daffodils will also be spread around school. Children are welcome to bring a donation to Marie Curie on that day.

Parental Consultation Meetings

During week beginning 26th April, we will be holding Remote Parental Consultation Meetings to discuss your child's progress in school. A letter will be circulated on Monday with more details relating to this event.

Thank you
Mr. Appleby
