A lovely message  
from Josh and  
Josephs Mam

Josh and Joseph have been litter picking around the village. We joined a group on Facebook called "Easington Wombles" which is encouraging members of our community to make Easington a cleaner place to live.

The boys have loved helping and are really shocked at how much litter there is around our beautiful village.

Well done Josh and Joseph, what a fantastic thing to do! We are very proud of you both. We hope to follow your example and get our school involved in this fantastic project.

**Easter**

Next week is our final week of what has been a very unique Spring Term. We have a range of activities going on next week that you will have read about in the letter that was sent out on Thursday. I am sure children will have a very enjoyable last week in school before enjoying their well-deserved Easter holidays.

**Last week of term activities**

<b>Monday 22<sup>nd</sup> March</b>	Rev Lucy leading Worship to bubbles via Zoom focusing on “The true meaning of Easter”. Children will then design murals in each class to show why Easter is important to Christians. We will share photos of these on our School Website
<b>Tuesday 23<sup>rd</sup> March</b>	National Reflection Day. Marie Curie are promoting a National Reflection Day, as it is a year since COVID 19 altered our lives. During this day, we will be reflecting on the past year and remembering those we have lost. Children can come to school wearing yellow or a yellow accessory with non-uniform. If you would like to make a donation to Marie Curie, please send this in your child’s bag.
<b>Thursday 25<sup>th</sup> March</b>	<p>Egg Design Competition! On this day, children will be taking part in an Egg Design Competition. As the majority of children were unfortunately not in school for World Book Day we have decided to make the competition linked to this.</p> <p>The egg design must focus on a story or character. Children will have to bring ONE hard-boiled egg into school on this day. All materials to decorate the egg will be provided by school.</p> <p>3 prizes will be awarded for each year group and winners will be announced on Friday in Celebration Worship. Mr Appleby and Mrs Bowden-Stoker have the pressure of judging the competition.</p>
<b>Friday 26<sup>th</sup> March</b>	<p>Last day of a hugely demanding and unique Spring Term will be a non-uniform day. No donation is needed for this.</p> <p>On this day, Booster Club will run till 3.30pm and After School Club till 4.30pm</p>
