RE home learning 2nd March 2021

Thank you for your work about Good Friday and Easter Sunday submitted last week.

Today we are going to be thinking about the feelings that the events of Good Friday and Easter Sunday evoked in the followers of Jesus. For each day, I would like you to write words to describe the feelings that Jesus' followers will have felt on Good Friday and Easter Sunday. I have attached two worksheets for you, if you would like to use them. Around the centre box draw simple pictures and write words to describe these feelings. You might find it useful to use a thesaurus. Both days will be very different.

Below are two links to some music. The first piece of music reflects feelings about Good Friday and the second piece about Easter Sunday. Have a listen and see if the music reminds you of any feelings. You don't need to listen to the whole piece!

Please take a photograph of your work and send it in using Dojo. Thank you 😊
