Science home learning 3rd March 2021

To get started today, take a look at the links below. Watch each video and complete the quiz.

Now it is time to go and explore! Go and find as many plants as you can indoors and outdoors. Discuss and identify any similarities and differences.

Next, please label the plant that I have attached for you. I have included the words for your labels.

Please take a photograph of your work and send it in using Dojo. Thank you 😊

Parts of a plant

stem petal leaf
