### Parent Governor Vacancy

Please find along with this week's Newsletter, information and forms required for Parent Governor nominations. If you are interested in becoming part of our Governing Body we would love to hear from you. Please get in touch with any questions you may have and we look forward to receiving some nominations.

### ParentPay

Thank you to everyone who has signed up to the site so far. If

anyone is having problems finding their login details letter, please let me know and I can print a duplicate. We are hoping to eventually become a cashless school and have everything payable online, including non-uniform days, school trips etc. Every Friday I will load onto ParentPay the Breakfast/After School sessions children have attended that week, along with any school lunches they may have had. I thought best to do things this way instead of loading full terms to take into account any sickness that may occur and to avoid refunds etc. You will be able to pay money into your ParentPay account and then allocate it to whichever 'pot' you need to (lunches/wraparound care).

Again, thank you for your support with this. I am sure we will all find this new system beneficial when we all get the hang of it – including me! ☺

### Basketball Bonanza

On Tuesday, children from Year 1 to 6 participated in a Basketball Bonanza, an event which was organised and run by Easington SSP. The children's behaviour was exemplary and they had a great time. The staff from Easington SSP once again commended the children on their attitude and level of effort. Well done to all involved.

### Tri-golf

On Wednesday 21st April, we have

a Tri-golf event happening in school. All children from EYFS to Year 6 will be involved in this event being provided by the firm 'Sportscool'. This should be a fun, engaging and enjoyable experience for all of the children. You never know, we might have the next Rory McIlroy or Lexi Thompson in school! **All children in school will need to wear their PE kit on this day.** Keep your eyes peeled for the photos next week.

### After School Multi Activity Sessions

**Years 3 / 4 / 5 / 6**

**Tuesdays 3.30-4.30pm**

A letter went home with our KS2 children this week regarding a free After School Club that will start next Tuesday and run for 5 weeks. We have had a huge response to this club, which is fantastic!

### Easington Wombles

Just before Easter, we mentioned in our Newsletter about some of our wonderful children litter picking in the village as part of the Easington Wombles Group.

Our PTA decided to purchase some litter pickers and bags and these have very kindly been brought into school today by Mrs Davies. Any families now wishing to take part and help the Easington Wombles with their mission, can now take one of the litter pickers to use. Once you are finished, the litter picker can be returned to school to be passed on for another family to use.

If you or your child are interested in this, please ask your child to pop to the School Office to arrange to book out one of the litter pickers.

A little bit of information about the Easington Wombles group from their Facebook page .....

### About this group

This is a simple idea, to try and make Easington a little bit cleaner.

It is not a group thing due to current restrictions of only 2 people being able to meet for a walk at present.

You wouldn't have to commit to certain days or times - just when you're out and about on your walk with or without your dog, if you see rubbish then pick it up.

It wouldn't matter if you can only do once a week or fortnight or everyday - after all every little helps ❤️❤️👍

It is about bringing a little bit of pride back into our community and making our streets a little cleaner.

We believe when a place looks clean people take a second thought about dropping litter and it only takes a few to make a huge difference - thanks for reading 😊👍
