Mon 7th June	School reopens for children

A lovely message from Anabelle and Oliver's mam.....

In the holidays, we were given a list of people within the community who had been

nominated to receive a box of treats. We delivered them all around Easington. One of the nominations from Anabelle and Oliver was Mrs Kirkwood. Oliver delivered her parcel last week. She was very pleased.

Mrs Kirkwood was so surprised to receive the beautiful gift box of goodies. What an amazingly kind gesture.

Ayana and Gaku

Today we have to say goodbye to two wonderful children. Ayana and Gaku are relocating to Japan. We cannot put into words how much we will miss you both. Since joining our school, you have both been simply amazing and a pleasure to have. We wish all of the family lots of health and happiness as they begin their new life in Japan. Stay safe and God Bless.

Attendance week commencing 19th April 2021

Pupils Pupil	Imogen H / Amelia W
Mr. Appleby's Special Book	Jessica H
Staff Member of the week	Mr Appleby

Remote Parental Consultation Meetings

A reminder that next week is Parental Consultation Meetings. Your child's class teacher will have been in touch this week via Class Dojo to book a time slot. The meetings are very important and it is an expectation that all parents engage. I am sure parents will find them very informative.

Thank you
Mr. Appleby

Tri-Golf

On Wednesday, all children in school participated in a tri-golf event. The coach running the event said that the children were magnificent and a great time was had by all. It was lovely to see the children trying something new and enjoying the sunshine.

Please see some

lovely photos of the next Rory McIlroy on the reverse 😊

COMMANDO JOE'S
Realising your potential

As some of you may have seen on our School

Facebook Page, on 5th April, all staff took part in Commando Joe's training. This programme teaches children all about **RESPECT (Resilience, Empathy, Self-Awareness, Passion, Excellence, Communication and Teamwork)**, all of which I am sure you will agree, are key skills which children need to be successful in life. It involves children working together to solve missions and is very practical and interactive. As a staff, we are confident the children are going to love the programme and gain so much from it. We will be officially launching the programme from September, but children may have the opportunity to try some missions this term! The full programme will be shared with parents and put on our Website in the coming weeks. Exciting time ahead!

School Vision

Over the past months, we have spent a lot of time reviewing and working on our **School Vision**.

After much discussion and deliberation, we have made the decision that our School Vision is:

'May we give them the roots to grow and the wings to fly.'

This is based on the bible quote:

'Through God's love, we are the rich soil where roots grow and seeds flourish.' Luke 8:4-15

We have added a full new page onto our school website, which is focused on our School Vision and our Christian Ethos <https://www.easington-pri.durham.sch.uk/our-school-vision/>

In this section we have also completed work on:

- *School Values*
- *St Mary's Church*
- *Random Acts of Kindness*
- *Our community*
- *Collective Worship*

As a school, we are very proud of our Vision. Please have a look at this on our School Website – any feedback or comments would be much appreciated.

Many thanks

Mr Appleby
