How are your sunflowers doing?

You may remember, a little while ago we sent home a sunflower seed for you to plant in your garden or around the village. We would love to see how they are growing.

Please help spread the word about our wonderful school.

We would love you to join our Easington C of E family

'May we give them the roots to grow and the wings to fly.'

We currently have spaces in year groups throughout our wonderful school

Frozen Fridays

For the rest of this half term we will be having Frozen Friday's for the children. Ice lollies will be available to buy, at morning break, for 50p every Friday until we break up for the summer ☺ Huge thanks to the PTA for organising this for the children.

Sponsored Coastal Walk in aid of School Fund

We hope you will join in with our sponsored walk in July. Your child will have a letter in their school bag tonight with

further details. It would be great to see as many families there as possible. Let's keep our fingers crossed for a lovely sunny day ☺

African Ark day in school

On Wednesday, we invited Bemma from African Ark to speak via Zoom to the children about her African heritage, racial equality and kindness. This day was funded by the Arts Council. The children learned many facts and had very meaningful, insightful discussions based on Bemma's workshops.

Cricket

On Monday, the children took part in a cricket competition that was run by Easington SSP. As always, the children represented the school brilliantly. Keep a close eye out for the results in the coming weeks!

Street Games

On Tuesday, the children took part in a street games day. The purpose of the day was to teach the children games, which can be played with little or no equipment. A huge array of games were played and the children had a fabulous time. Hopefully, this will help enable your child to spend their time outside in a fun and engaging way-it may even help to get them off their devices at home!
