

Reception Report - Week 1

Weekly update from Ms Lilley's reception class.

Dear parents and carers,

Welcome back 😊

This half term will be thinking about 'Reduce, Reuse, Repair, Recycle' and we will be exploring the text *George Saves the world by lunchtime* by The Eden Project and the important themes contained within its pages. We will of course be continuing our planting and composting work in the garden classroom and families are more than welcome to continue bringing into school compostable waste to be placed into the compost bin. Thankyou.

Mathematics

White Rose Maths

Summer Phase 9 – Find My Pattern

Sharing and grouping

For the children to:

- have some experience of sharing and will be quick to point out when items are not shared fairly.
- check that the items are shared equally and that everyone has the same.
- to recognise and make equal groups. For example, can you put 3 crackers on each plate or plant 2 flowers into each pot.

Maths Bags will go home on a Thursday and we ask that they be returned on Monday.

To ensure we are Covid Safe they will be hung for 72 hours and sanitised.

Many thanks

Communication/ Language and Literacy

Songbirds Phonics Plan Summer 2

For the children to:

- **View** Book Stage 3 consonant blends
The trunk and the skunk
(consonant blends at the beginning and end of words)

- **HFTW**

bananas

good

Classroom Library Books will go home on a Thursday and we ask that they be returned on a Monday.

To ensure we are Covid Safe they will be sanitised.

Many thanks

Guided reading books

A big thank you to those families that are bringing in reading books everyday in blue book bags.

Physical Development

PE continues to be every Monday afternoon. Please ensure your child comes to school wearing their school PE kit. Many thanks 😊

Warmest regards,

Ms Lilley
