National Curriculum Objectives:

- Events beyond living memory that are significant nationally or globally

Rationale:

This unit introduces children to the key concepts of religion and monarchy which will be developed further throughout KS2. Studying the Gunpowder Plot and its importance shows children how events can have a national impact and continue to be remembered over time. A simple exploration of the causes of it and the symbolism behind fireworks helps children to understand the significance of the event and identify how the custom has developed throughout time. They begin to learn how historical sources can tell us about what happened in the past and how some sources are more useful than others.

We have chosen to study this unit at the beginning of Year Two as it provides simple opportunities to introduce the children to key historical concepts such as, chronology, cause and consequence, change and continuity and historical evidence. Furthermore, it is topical – as it is studied beginning in November – concurrently with Bonfire Night. The discussion can be developed about whether Guy Fawkes was right to try to kill the king. Children can refer to their knowledge from EYFS about 'people who help us' to decide whether Guy Fawkes was helping people or not.

Prior Knowledge:

Children have learned in EYFS about Bonfire Night when learning about 'Celebrations'. Children are also able to consider their families traditions etc. Children have also had discussions in EYFS about past and present and are able to compare pictures and objects. This will be helpful when considering the differences in fire safety.

Children have had opportunities to explore the concept of time through the context of their own families, knowing that parents come before them and grandparents come before parents. Exploring chronology in this unit will build upon this basic understanding in a more formal way.

What do we intend pupils to know and be able to do at the end of this unit?

Substantive knowledge:

- I know what the Gunpowder Plot was
- I know the different reasons for the Gunpowder Plot
- I know how the Gunpowder Plot failed

Disciplinary knowledge:

- I can explore cause and consequence
- I can explore sources and discuss their helpfulness
- I can c
